

Mo-Town Grapplers Club • P.O. Box 91 • Morristown, NJ 07963
www.motowngrapplers.com

Dear Friend,

The Morristown Grapplers Wrestling Club is asking for support from the businesses in our community. We are a non profit wrestling club dedicated to the youth in Morristown, Morris Township & Morris Plains. Our goal is to teach kids sportsmanship, teamwork & discipline while also providing a good foundation to be successful in the highly competitive sport of wrestling. We are doing everything possible to keep costs down while trying to expand our program and ensure a high level wrestling experience. We count on local businesses for the financial support that is needed to run a successful youth program.

There are a variety of levels that you can participate in print or on our website. Our program is professionally organized and printed. Please show your support and help us give the youth of our community the tools they need to be successful on and off the mat!

For more information on our program visit our website at www.motowngrapplers.com . Thank you for your support!
